

A Longer Weekend

Escape to the winterless north for three nights but only pay for two at one of our luxury Residences.

Four days and three nights of relaxation in the glorious beauty of the Bay of Islands is an ideal winter tonic, especially when you only pay for two nights.

The Landing is one of sun-soaked Northland's hidden gems; a 1000-acre property of white-sand beaches and coves, rich marine and birdlife, lush native bush and rolling farmland, all set on the doorstep of some of New Zealand's most fascinating historical sites.

A long weekend at one of our luxuriously appointed Residences can be an adventure or a retreat. The coastal playground of the Bay of Islands lies ready for fishing, paddle-

boarding, wildlife-spotting or cruising, while the Landing's private native bush reserves, wetlands and pastures are criss-crossed with trails for walking or biking – and you may come face-to-face with one of our abundant local population of kiwi.

Each architecturally designed and luxuriously appointed Residence enjoys seclusion, panoramic views and the incredible hospitality of The Landing's guest services team. Spend your days relaxing to the sound of the sea and birds, wine-tasting at The Landing's own winery, preparing your own lavish feasts or enjoying the finest local produce prepared by The Landing chef.
